Other methods of transport

Travelling by plane

The closest airport to the Centre is Heathrow, which is situated approx 14 miles away. You can travel between the airport and the Centre by the underground, bus or taxi.

Travelling by car

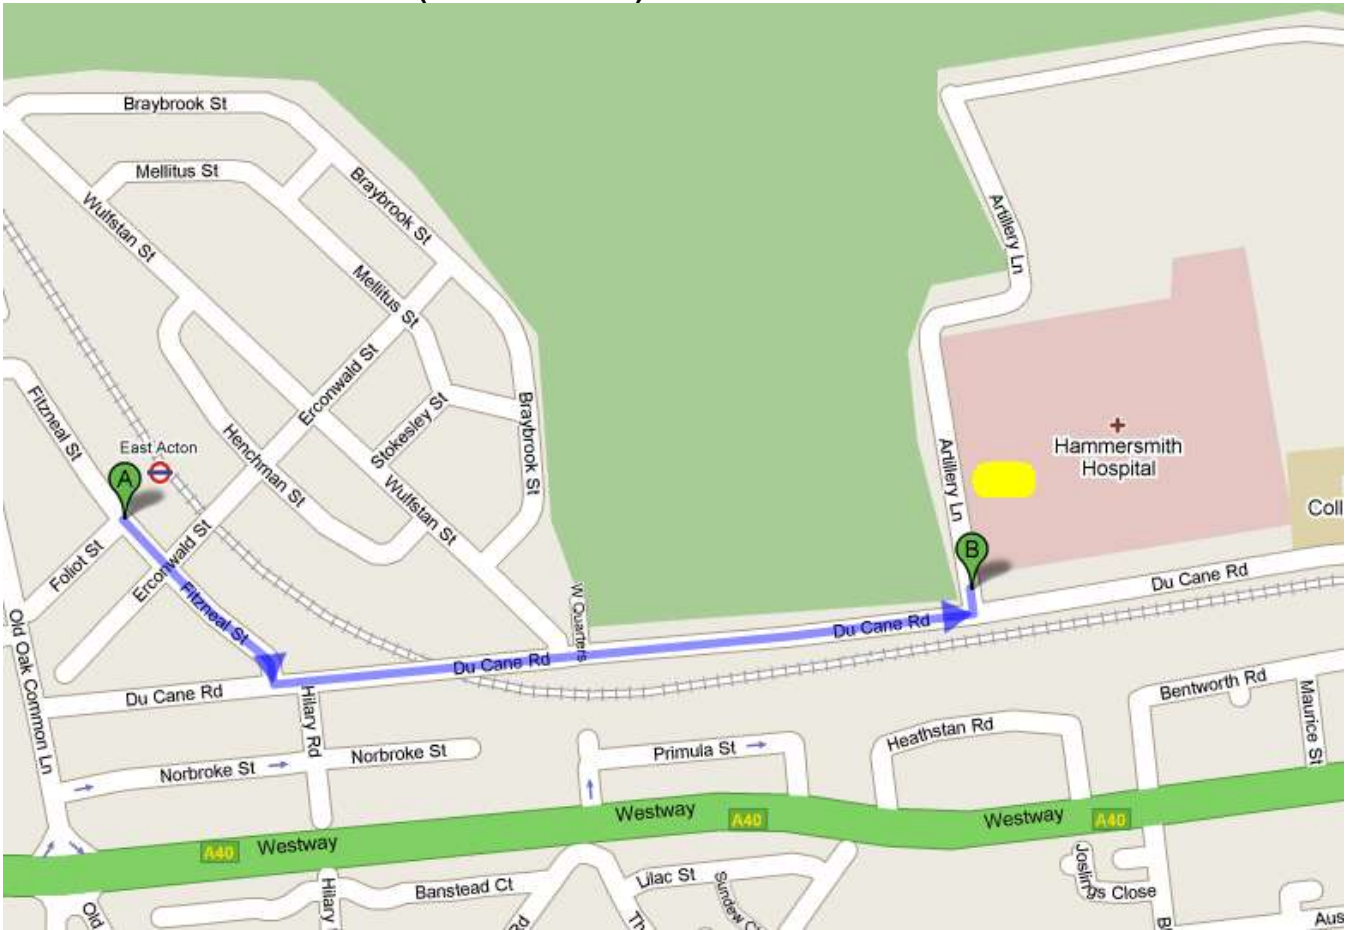

Because of shortage of space, delegates are not able to park in the hospital grounds. You may park in the Wormwood Scrubs car park at the rear of the hospital, next to the Linford Christie Stadium via Artillery Lane. Artillery Lane is situated on the right-hand side past the hospital if approaching from White City and situated on the left-hand side past Wormwood Scrubs if approaching from East Acton. The car park is operated by the local council and uses a pay and display system, currently being charged at £2.00 per hour.

Facing the Hospital site, the Centre is on the very left. Walk along Artillery Lane and you will see, on your right, a narrow car park – turn right just before this and you will come to a gap between two buildings (the venue is signposted from there). Walk through the gap and you should see the venue entrance.
