- **Dr John Criddle**, Consultant in Paediatric Emergency Medicine, St Thomas' Hospital, London

Early Bookers!
Book before or on 31 May 2009
£445 only

A Faculty of leading consultants:

- **Dr Ffion Davies**, Consultant in Emergency Medicine, Leicester Royal Infirmary
- **Dr Ravi Massey**, Consultant in Paediatric Emergency Medicine, Royal Liverpool Children's Hospital
- **Mr Shailesh Patel**, Consultant Paediatric Surgeon, King's College Hospital, London
- **Dr Gregor Campbell-Hewson**, Consultant in Paediatric Emergency Medicine, Royal Hospital for Sick Children, Edinburgh
- **Dr Bruce Taylor**, Consultant in Adult and Paediatric Intensive Care Medicine, Portsmouth Hospitals NHS Trust
- **Dr Evangeline Wassmer**, Consultant Paediatric Neurologist, Birmingham Children's Hospital

About the conference:

- For **Consultants, Registrars** and **Middle Grades** from the Paediatric ED, General ED and Paediatrics who are at the **front door** managing the critical **first four hours** of care for paediatric patients presenting as an emergency

- A **practical focus on the most difficult aspects of paediatric emergency medicine** that ED Doctors need to deal with daily in the **critical first four hours**
- **Comprehensive, fact filled and stimulating**
- Lectures from **leading Consultants in Paediatric Emergency Medicine** and other specialties who are actually **doing the job**.

What previous delegates have said:

- *Good topics, good speakers, well organised and good time keeping*
 - *Practical approach, very good clinical solutions, good length of breaks*
 - *Excellent talks, relevant to paediatric emergencies, well organised*
- *I enjoyed this course - it had been highly recommended by friend*
- *Good number of audience, good length of lectures, friendly and relaxed atmosphere*
 - *Excellent speakers, good variety of talks, practical approach, well organised event*
- *All lectures were interesting and addressed both A&E and paediatricians*
 - *It has given me a new level of confidence about medical problems in paediatrics*
 - *Very relevant to everyday work and good knowledge for training the juniors*
 - *Gave me more confidence, improved my knowledge... hence a positive impact on my decision making in paediatric A&E*

Book by phone on 020 8123 0021 or on-line at www.infomedltd.co.uk
