3rd Neurology Update for the Psychiatrist

This **unique** course is organised by **Infomed Research and Training**,
on **Tuesday 16th March 2010**, at the **Russell Square Conference Centre**,
Russell Square House, London

Programme Advisors:

- **Dr Niruj Agrawal**, Consultant Neuropsychiatrist, St George's Hospital, London

About this Course:

- This course is aimed at **Consultants, Registrars and Staff Grades in Psychiatry**
- This course has been reviewed in the light of delegates' evaluation of the first and second update.

- A **practical** focus on the assessment and management of **difficult medical neurological disorders relevant to Psychiatric practice – what you won't find in the textbooks**
- Focuses on the day-to-day medical neurological psychiatrist problems
- **Lectures by leading Neurologists**
- **Four Discussion Forums** for practical

discussion of grey cases in Psychiatric practice, involving the neurological topics addressed in the morning lectures – in depth analysis of real cases.

Attendees on previous Medical Updates:

- *Excellent speakers, dynamic, knowledgeable and clear*
- *Lots of time for discussion and fantastic up to date info.*
- *I came after positive feedback from colleagues*
- *Well planned and organised – discussion forums are a great idea.*
- *I will be better informed with greater confidence in consulting and referring*
- *Course well structured – clinical relevance and clarity*
- *A Psychiatrist for 10 years and never had such good medical update*
- *All Psychiatrists should attend these Updates to refresh medical knowledge*

The Faculty includes

All consultants with a proven track record in the dissemination of medical know-how to front-line Clinicians.

- **Dr Michael Samuel**, Consultant Neurologist, King's College, London
- **Dr Simon Shields**, Consultant Neurologist, Norfolk and Norwich University Hospital
- **Dr Phillip Rich**, Consultant Neuroradiologist, St George's Hospital, London
- **Dr John Moriarty**, Consultant Neuropsychiatrist, South London and Maudsley NHS Foundation Trust
- **Prof Steven Hirsch**, Consultant Psychiatrist, Imperial College

6 CPD Points – Certificate of Attendance

Programme

This is a **practical Course** with **Lectures** and **Discussion Forums** on the management of the **more difficult neurological conditions** that you encounter in your day-to-day practice.

08.30 – 09.35 **Registration**

09.35 – 09.50 **Welcome and introduction by Chair**
Dr Niruj Agrawal, Consultant Neuropsychiatrist, St George's Hospital, London
