The Neurology Update for the Psychiatrist

This unique course is organised by **Infomed** Research and Training, on **Tuesday 15th March 2011**, in central London

Programme Advisor

- **Dr Niruj Agrawal**, Consultant Neuropsychiatrist, St George's Hospital, London

About this Course

- This course is aimed at **Consultants, Registrars and Staff Grades in Psychiatry**

- The course has been reviewed in the light of the evaluation and suggestions of attendees at previous Updates
- A **practical** focus on the assessment and management of **difficult medical neurological disorders relevant to Psychiatric practice**
- **Lectures by leading Neurologists**
- **Four Discussion Forums** for practical

discussion of grey cases in Psychiatric practice, involving the neurological topics addressed in the morning lectures – in depth analysis of real cases

What attendees have said about the Updates

- *Very good reminder of the forgotten knowledge, through lectures and case scenarios at the forums!*
- *Excellent speakers, dynamic, knowledgeable and clear*
- *Lots of time for discussion and fantastic up to date info.*
- *I came after positive feedback from colleagues*
- *Well planned and organised – discussion forums are a great idea.*
- *I will have greater confidence in consulting and referring*
- *Course well structured – clinical relevance and clarity*
- *A Psychiatrist for 10 years and never had such good medical update*
- *All Psychiatrists should attend these Updates to refresh medical knowledge*

The Faculty

Consultants with a proven track record in the dissemination of medical know-how to front-line Clinicians:

- **Dr Michael Samuel**, Consultant Neurologist, King's College, London
- **Dr Robert Elwes**, Consultant Neurologist and Neurophysiologist, King's College, London
- **Dr Simon Shields**, Consultant Neurologist, Norfolk and Norwich University Hospital
- **Dr John Moriarty**, Consultant Neuropsychiatrist, South London and Maudsley NHS Foundation Trust
- **Prof Steven Hirsch**, Consultant

Psychiatrist, Imperial College, London

- **Dr Naomi Sibtain**, Consultant Neuroradiologist, King's College, London

6 CPD Points – Certificate of Attendance

Programme

This is a **practical Course** with **Lectures** and **Discussion Forums** on the management of the **more difficult neurological conditions** that you encounter in your day-to-day practice.

08.30 – 09.35 **Registration**

09.35 – 09.50 **Welcome and introduction by Chair**
Dr Niruj Agrawal, Consultant Neuropsychiatrist, St George's Hospital, London

09.50 – 10.40
Neurological Examination and Investigations

Dr Simon Shields, Consultant Neurologist, Norfolk and Norwich University Hospital

- Neurological examinations in psychiatric settings
- Assessment of common neurological conditions, such as headaches, dizziness and neuropathy
- Role of commonly used investigations

10.40 – 11.20
Movement Disorders and Demyelination Disorders

Dr Michael Samuel, Consultant Neurologist, King's College, London

- Assessment of movement disorders, tremors
- Parkinson's Disease - diagnosis and management
- What you need to know about antibasal ganglia antibodies
- Drug induced movement disorders – assessment and management
- Multiple sclerosis

11.20 – 11.50 **Tea and coffee break**

11.50 - 12.30
EEG, Epilepsy & Anticonvulsants

Dr Robert Elwes, Consultant Neurologist and Neurophysiologist, King's College, London

- Epilepsy – investigation, diagnosis and management
- Neuropsychiatric consequences of epilepsy
- Anticonvulsants
- Guide to the EEG
- Cognitive problems

12.30 – 13.10
Neuro-imaging in psychiatry

Dr Naomi Sibtain, Consultant Neuroradiologist, King's College, London

- Different kinds of imaging available, how it assists, when to order?
- Excluding neurological causes – is it psychiatric or neurological?
- Tumours, dementia and other detectable conditions
- Understanding the report, MRI sequences & their usefulness.

- 13.10 – 14.00 **Lunch**
- 14.00 – 17.15 **Four Discussion Forums**

Delegates split into four groups. Each group rotates through the four Forums, A, B, C and D, so **each delegate attends every Forum.** Each Forum involves practical discussion of grey cases in Psychiatric practice, involving the topics addressed in the morning lectures – in depth analysis leading to **what should the Psychiatrist do next?**

- 14.00 – 14.45 **Round 1**
- 14.45 – 15.30 **Round 2**
- 15.30 – 15.45 **Tea and coffee break**
- 15.45 – 16.30 **Round 3**
- 16.30 – 17.15 **Round 4**
- 17.15 **Close**
