Following the success of last year...

Resuscitation Symposium 2017

The comprehensive course for Consultants, SASGs and Senior ST’s in Emergency Medicine, Anaesthesia, Intensive Care and Acute Medicine,
organised by Infomed Research and Training
on Thursday 26 January 2017,
at the Park Plaza County Hall, 1 Addington Street, London SE1 7RY

COURSE DIRECTOR
Prof Tim Harris,
Consultant in Emergency Medicine,
QMUL and Barts Health NHS Trust

FACULTY
Dr Bernard Foëx, Consultant in Emergency Medicine and Critical Care, Manchester Royal Infirmary
Dr Anton Saayman, Consultant in Intensive Care Medicine, University Hospital of Wales, Cardiff
Dr Michael Patterson, Consultant in Intensive Care and Emergency Medicine, University College London Hospitals
Dr Johann Grundlingh, Consultant in Emergency Medicine and Critical Care, Barts Health NHS Trust
Dr Benjamin Bloom, Consultant in Emergency Medicine, Barts Health NHS Trust
Dr Mamoun Abu-Habsa, Consultant in Critical Care and Emergency Medicine, Barts Health NHS Trust

TARGET AUDIENCE AND FOCUS
The course is designed for Emergency Physicians, Acute Physicians, Anaesthetists and Intensivists. It is pitched at a level suitable for Consultants and senior trainees in all areas of acute care.

WHAT PAST DELEGATES SAID
☑ Good expert talks aimed to be practical, good summary of evidence
☑ Excellent multispecialty Faculty and very knowledgeable
☑ Good overview of wide range topics and Q&A
☑ Well organised and kept to the time
☑ High quality speakers, content and the right topics
☑ Excellent content and speakers and lots of short topics
☑ Key topics covered in evidence based talks – simple facts to make big changes, diverse and relevant info
☑ Knowledgeable and accessible speakers. Focus on non-trauma subject.
☑ Gives me great confidence to treat septic ED patients
☑ As from today will change my daily practice
☑ I will implement updated guideline in managing patients in ED
☑ Better evaluating on of the shocked patients and increase awareness of management of sepsis

LEARNING OUTCOMES
By the end of the day, you will have:
☑ a comprehensive understanding of recent advances in resuscitation medicine;
☑ an update on new/recent research evidence in relation to resuscitation and insights into the implications for practice; and
☑ greater confidence in your current practice in relation to resuscitation and/or identified areas of practice that you will review or change.

PROGRAMME

08.30 – 09.20 Registration

09.20 – 09.30 Welcome and introduction
Prof Tim Harris

09.30 – 10.10
Resuscitation end points – how to recognise shock and guide resuscitation in the ED
Prof Tim Harris
• What is shock?
• What is resuscitation?
• Who needs resuscitation?
• Can we change outcomes?
• How do we assess the adequacy of resuscitation?
• Lactate clearance

10.10 – 10.40
Echo guided diagnosis and fluid resuscitation in shock
Prof Tim Harris
• The role of echo in identifying LV function
• Echo guided fluid responsiveness
• Echo guided assessment of filling pressures
### Venous gas: All we need?
**Dr Benjamin Bloom**
- The difference between arterial and venous pH, CO2, bicarbonate and lactate
- How to interpret venous CO2 and lactate

### Toxicology
**Dr Johann Grundlingh**
- ECLS in poisoning
- Extra-corporeal removal techniques
- Hyperthermic toxidromes: hot, bothered and dead

### Acid-base disturbances: How best to assess in the ED
**Dr Johann Grundlingh**
- Different interpretation methodologies
- Using blood gas analysis as risk stratification

### Questions to the panel
Chaired by Prof Tim Harris

### State of the art: Resuscitation in severe sepsis and septic shock
**Dr Anton Saayman**
- What is current best practice?
- What is new since the surviving sepsis campaign guidelines?

### State of the art: Resuscitation in cardiogenic shock
**Dr Bernard Foëx**
- Drug treatment: is levosimendan the drug of the future?
- Mechanical circulatory support: intra-aortic balloon counter pulsation or ventricular assist devices?

### State of the art: Resuscitation in GI haemorrhage
**Dr Bernard Foëx**
- Should you use PPIs and Tranexamic acid?
- What is an adequate Hb?
- When is an endoscopy needed?

---

### Discount Available When Booking the First Critical Hours Course Too (Tue 24 and Wed 25 Jan 2017)
**Fee for both courses**
- **Consultants & SASGs**: £695 (inc. VAT): 1fhrs
- **Doctors in Training**: £595 (inc. VAT): 1fhrs

**Early bird** (Paying on or before Tue 27 Sep 16):
- **Consultants & SASGs**: £675 (inc. VAT): 1fhrs
- **Doctors in Training**: £575 (inc. VAT): 1fhrs

**Standard rate** (Paying after Tue 27 Sep 16):
- **Consultants & SASGs**: £775 (inc. VAT): 1fhrs
- **Doctors in Training**: £690 (inc. VAT): 1fhrs
## Resuscitation Symposium 2017

Organised by Infomed Research and Training, on Thursday 26 January 2017, at the Park Plaza County Hall Hotel, 1 Addington Street, London SE1 7RY

### Resuscitation Symposium Course Fee

**Early bookers rate** (booking and paying on or before Tue 27 Sep 16):  
Consultants and SASGs £275 (inc. 20% VAT)  
Doctors in Training £240 (inc. 20% VAT)

**Standard rate** (booking and paying after Tue 27 Sep 16):  
Consultants and SASGs £315 (inc. 20% VAT)  
Doctors in Training £295 (inc. 20% VAT)

The fee includes online access to lecture slides (pdf), lunch and refreshments.

### How To Register

You can **BOOK ONLINE** at: [www.infomedltd.co.uk](http://www.infomedltd.co.uk) or **BOOK OVER THE PHONE** on +44 (0)20 3236 0810.

Alternatively, complete delegate and payment details, below, and post to:  
Infomed Research & Training Ltd, 2nd Floor, Northside House, 69 Tweedy Road, Bromley BR1 3WA

Confirmation, venue map and receipt will follow by email.

### Terms and Conditions

1) The subscription fee includes online access to lecture slides (pdf), lunch and refreshments. 2) The completed booking form together with full payment must be sent to Infomed Research and Training Limited to secure a booking. Submission of this booking constitutes a legally binding agreement. 3) Payment must be received in full prior to the event. Course details will be issued subject to receipt of payment. We cannot be held responsible for the non-arrival of registration information. If you have not heard from us within 7 days prior to the Course, please contact us. 4) Bookings can be made by telephone but payment must be made in full by credit card at time of booking. 5) Written cancellations received 6 weeks prior to the Course will be accepted and refunded minus an administration charge of £70. We regret that no refunds can be made for cancellations received after that date, for whatever reason, although substitutions will be accepted if notified in writing 5 days or more prior to the event. 6) The Company reserves the right to alter the date, content and timing of the programme or the identity of the speakers due to reasons beyond its control. Under these circumstances, The Company will not refund delegates any expenditure made on pre-booked accommodation or travelling. 7) The Company does not accept responsibility for loss/damage delegates’ property/personal effects whilst at the Course.
